Dear Mr. Oplinger:

Reference No.: 191-9A0(I)

Enclosed is our application for a license to export a Monsanto Research Corporation neutron source containing approximately 1 mgrm Cf-252 to India. The end use of the source is research and analytical purposes as listed on our application. We anticipate shipping this source in late 1980.

Should you have further questions or need additional information, please contact us promptly.

Sincerely,

Stephen D. Hoadley  
Radiation Safety Officer
