Dear Sir:

In accordance with Millstone Unit 1 Technical Specification 6.9.1.6, the following monthly operating data report for Millstone Unit 1 is enclosed. One additional copy of the report is enclosed.

Also enclosed is a corrected copy of the May operating data report page with the corrections noted in parenthesis. The original May operating data report page was in error due to a watt-hour meter that was not returned to its original reading after its calibration.

Very truly yours,
