Dear Colonel Hudgins:

Reference is made to your letter of June 10, 1980.

This letter serves as official confirmation that

- a) The transfer of the material, as identified on the license application, will be subject to all of the terms and conditions of the Agreement for Cooperation, which entered into force on August 8, 1966, as amended, concerning the civil uses of atomic energy between the Government of the United States and the Government of Switzerland;
- b) The ultimate consignee, Kernkraftwerk Gösigen-Däniken AG in Däniken, is authorized by my Government to receive and possess the material.

Sincerely yours,
