Mr. James V. Feuss Director of Public Health Cortland County Health Department 60 Central Avenue Cortland, New York 13045

Dear Mr. Feuss:

. .

This confirms the information provided you by phone by Mr. Young of our office on June 17 in response to your June 11, 1980 letter. The responsibility for the management of training programs for State and local emergency planning and response personnel has been transferred from the Nuclear Regulatory Commission (NRC) to the Federal Emergency Management Agency (FEMA). I understand that you have already contacted Mr. Robert DeFayette of that agency and discussed course arrangements and availability. A copy of your letter has been forwarded to Mr. DeFayette.

With regard to the resolution sent to the Regulatory Improvement Branch of NRC (referenced in the last sentence on page 1 of your June 11, 1980 letter), that Branch reports that they have had discussions with you and that you are providing them another copy of that resolution.

I trust this is fully responsive to your expression of interest and concern.

Sincerely.

5

Robert G. Ryan, Director Office of State Programs
