P R O C E E D I N G S

1  
2 CHAIRMAN AHEARNE: I need to take a short notice vote  
3 to hold a meeting on less than one week's notice. There  
4 are two affirmation items: extension of subpoena authority and  
5 a waiver for employment.

6 All those in favor of holding the meeting on short  
7 notice?

8 (Chorus of ayes)

9 MR. CHILK: The first one is a request from the  
10 director of I & E for an extension of the limited subpoena  
11 authority extending the date of the previous one to a new  
12 expiration date of August 30.

13 All of you have approved that. I would ask you to  
14 affirm your votes.

15 (Chorus of ayes)

16 MR. CHILK: The second item deals with SECY-80-312,  
17 which is an approval under section 145(b) of the Atomic Energy  
18 Act of 1954, as amended, for the employment of Mr. Burton as a  
19 consultant to the Chairman and for granting him access to  
20 national security information and restricted data prior to the  
21 completion of his clearance.

22 All Commissioners present have approved it. Commissioner  
23 Gilinsky did not participate, but his office has not objection  
24 to this affirmation.

25 Would you please affirm your votes?
