Dear Ms. Barley:

As you requested, enclosed is a copy of the Logbook on Radiological Data, Control Number R-1 through R-262. As you will note, much of the material is rather difficult to read because it was reproduced from handwritten copy. If microfiche could be better utilized by you, we can provide it to you free of charge at your request.

If we can be of further assistance, please do not hesitate to contact us.

Sincerely,
