CORRESPONDENCE

Mr. Pedro Maximo Angeles Beteta
Presidente
Congreso Mundial de Metalurgia
Av. Tacna 665, Of. 702 - P.O.B. 993 - Lima 100
Lima, PERU

Dear Mr. Beteta:

Your thoughtfulness and that of Mr. Navarro in extending an invitation for me to participate in your upcoming World Congress of Metallurgy is very much appreciated. Unfortunately, I will be unable to join you in Lima at that time.

I have sent copies of your letter to the other Commissioners and to members of the NRC staff who might be interested in attending--it should be a meeting of great interest to our agency.

Thank you again for your kind invitation. I regret not being able to participate, but extend my very best wishes for a successful meeting.

Sincerely,

Richard T. Kennedy
Commissioner
