Director
Division of Technical Information and Document Control
Nuclear Regulatory Commission
Washington, D. C. 20555

Dear Sir:

Please send a copy of the Environmental Assessment for Decontaminations
of Three Mile Island Unit 2 Reactor Building Atmospheres" Addendum 2 to
NUREG 0662.

Was actual site monitoring done downwind of the radioactive krypton 85
releases, or was a model relied upon to estimate the dispersal pattern?
