

7/9/80

IN THE MATTER OF  
HOUSTON LIGHTING & POWER COMPANY  
(ALLENS CREEK NUCLEAR GENERATING STATION)

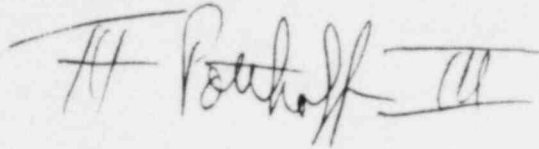

Docket No. 50-466

FIRST SET OF INTERROGATORIES TO HOUSTON LIGHTING & POWER

1. How does Applicant intend to get uranium fuel for ACNGS? Name all companies to be engaged, contracts signed, etc.
2. Are the companies from who Applicant intends to secure uranium fuel independent companies? Wholly-owned subsidiaries?
3. How much does Applicant plan to spend on fuel during the lifetime of ACNGS?
4. By what methods will the companies engaged by Applicant mine uranium ore? At what sites will this ore be mined?
5. If the method to be used to mine ore is stripmining, about how much area at the sites will be mined? Do the companies engaged in tend to return the site to its original state after mining? Will the companies keep all topsoil separate from other layers of soil mined?
6. At all sites, how much prime farm land will be displaced? Ranchland? Homes? Businesses? Industries?
7. At all sites, how much water will be used in mining? Where will such water come from?
8. Has Applicant ever commissioned a study on the feasibility of a marine biofarm to supply synthetic natural gas to replace natural gas burned in existing generating plants? If so, what was the conclusion of such a study? If not,

Why not?

A handwritten signature in cursive script, reading "F.H. Potthoff III". The signature is written in dark ink and is positioned above the typed name.

F.H. Potthoff III

7200 Shady Villa #110

Houston Tx 77055

I swear to the best of my knowledge a copy of this has been  
each  
served to party on the mailing list.

A second handwritten signature in cursive script, identical to the one above, reading "F.H. Potthoff III". It is positioned below the sworn statement.
