Gentlemen:

Subject: Inspection No. 80-01

This refers to the routine inspection conducted by Mr. F. Costello of this office on June 6, 1980 at your facility in Large, Pennsylvania of activities authorized by NRC License No. SNM-951 and to the discussions of our findings held by Mr. Costello with yourself at the conclusion of the inspection.

The inspection was an examination of activities conducted under your license as they relate to radiation safety and to compliance with the Commission's rules and regulations and the conditions of your license. The inspection consisted of selective examinations of procedures and representative records, interviews with personnel, measurements made by the inspector, and observations by the inspector.

Within the scope of this inspection, no items of noncompliance were observed.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter will be placed in the Public Document Room.

No reply to this letter is required; however, should you have any questions concerning this inspection, we will be pleased to discuss them with you.

Sincerely,

John D. Kinneman, Chief
Materials Radiological Protection
