The Cleveland Electric Illuminating
Company
ATTN: Dalwyn R. Davidson
Vice President - System
Engineering and Construction
Post Office Box 5000
Cleveland, OH 44101

Gentlemen:

Thank you for your letter dated June 23, 1980, informing us of the steps you have taken to correct the items of noncompliance which we brought to your attention in Inspection Report No. 50-440/80-06; 50-441/80-06 forwarded by our letter dated May 21, 1980. We will examine these matters during a subsequent inspection.

With regard to the noncompliance concerning training of NECC personnel, your letter states that there is documented evidence of formal training for the NECC craftsmen. We will reconsider the noncompliance upon review of that evidence during a future inspection.

Your cooperation with us is appreciated.

Sincerely,

A handwritten signature in cursive script, appearing to read "G. Fiorelli".

G. Fiorelli, Chief
Reactor Construction and
Engineering Support Branch
