ATTN: C. E. Bowers
President

Wood River Junction, Rhode Island 02894

Gentlemen:

We received your letter of June 26, 1980 for an exemption from the requirements of 10 CFR 73.20, 73.45 and 73.46.

Your request has been classified by the Licensing staff as requiring a minor amendment to License SIM-777. Therefore, a minor safeguards amendment fee of \$3,500 is required, as specified in fee Category 1A of Section 170.31 of Part 170, copy enclosed. Payment should be made to the U.S. Nuclear Regulatory Commission and mailed to my attention.

Please note Footnotes 1(d) and 4 of Section 170.31, which provide that upon completion of the licensing review, the Commission will review its expenditures for professional manpower and appropriate support services, recompute the amendment fee, and, if necessary, refund any overcharges.

If you have any questions, please contact us.

Sincerely,
