Mr. Ross A. Scarano
Chief
Uranium Recovery Licensing Branch
Division of Waste Management
Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Mr. Scarano:

This is in response to your request of June 9, 1980, for comments on the draft environmental statement (DES) for Ogle Petroleum, Inc., Bison Basin Project, Fremont, County Wyoming.

Pursuant to its responsibilities under Section 102(2)(C) of the National Environmental Policy Act of 1969, the Council has reviewed Nuclear Regulatory Commission's DES and has determined that there appears to be no reason for the Council to comment at this time.

Sincerely,

Louis S. Wall
Chief, Western Division
of Project Review
