

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D. C. 20555

January 31, 1979

NOTE TO: Chairman Hendrie

SCHEDULE PERFORMANCE EVALUATION

I made the changes to the charts that we discussed on Tuesday. I also made the nomenclature in the backup tables consistent with the summary charts.

Ten sets of the complete package are attached, together with a set of viewgraphs of the summary bar charts.

Please let me know if you have any further questions or need additional copies.

A handwritten signature in cursive script that reads "Herb Berkow".
