In the Matter of General Electric Company
(GE Morris Operation Spent Fuel Storage Facility)
Docket No. 70-1308
(Renewal of SNM-1265)

Dear Ms. Rorem:

The purpose of this letter is to correct the service list accompanying copies of "NRC Staff Interrogatories To, And Request For The Production Of Documents From, Intervenor Rorem, Et Al." and "NRC Staff Interrogatories To, And Request For The Production Of Documents From, The State Of Illinois". The service list states that these documents were served on you and the other parties to this proceeding on July 15, 1980, by first class mail. However, since you apparently have not received certain other documents sent to you in connection with this proceeding, we sent you the July 15, 1980, documents via certified mail, return receipt requested.

Sincerely,

Marjorie U. Rothschild
