Gentlemen,

In your letter dated May 20, 1980 you have us registered as users for ~~the~~ (Model #715 shipping package by Tech Operations, Inc. Burlington, Mass., under the provisions of 10 CFR 71.12(b) or 49 CFR 173.39a.

Our company uses only 533 Tech. Op. Cameras for our own use. We do not ship radioactive material.

We may transport radioactive material but this would be under the Repository Provisions of the State of Calif. Sect. 30225 Article 7 of the Calif. Radiation Control Regulations.

Please note this for your records, Also note change of address.

Sincerely,

Richard S. Dawson
