Dear Mr. Collins,

In the attached correspondence, dated May 16, 1980, from you to Mr. R.C. Arnold, Senior Vice President of Metropolitan Edison Co., the subject of the correspondence is "Submerged Demineralizer System Technical Evaluation Report."

This letter is a formal request under the federal Freedom of Information Act for me to receive a copy of the referenced report.

We are a public interest research organization; I therefore request that you waive photocopying expenses in this case. On the other hand, if you refuse to waive them, please send me a bill for the photocopying costs involved and I will send you remuneration by return mail.

Thank you for your prompt assistance with this request. Time is of the essence, since we would like to analyze the report prior to further work on implementation of the Submerged Demineralizer System.

Sincerely,

Peter Montague, Ph.D.
Project Director

Dear Mr. Arnold:

Subject: Submerged Demineralized System Technical Evaluation Report

We have reviewed your report, subject as above, transmitted to us with your letter TLL-160 dated April 10, 1980, and find that we need additional information to enable us to complete our evaluation.

Enclosure 1 is a list of questions for which we would like to have your responses by June 6, 1980. To facilitate an early response to these questions, our on-site staff is prepared to meet with you or your designated representatives at your earliest convenience to discuss our comments in more detail.
