Attention: Mr. John Linehan

Subject: Administrative Amendment to License #SUA-551

Dear Mr. Scarano,

This letter is to request that license condition 16 of SUA-551 be amended to read:

Mill tailings shall not be transferred from the site without specific prior approval from NRC except under the following conditions.

- a. Samples sent to research and development facilities for analysis.
- b. Samples sent to analytical laboratories as a routine part of the milling circuit control.

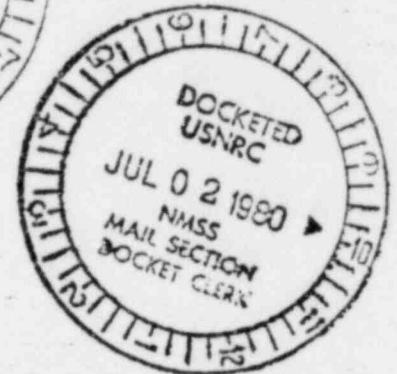

This amendment is being requested to allow us to carry out a research program on tailings management and reclamation. Please find enclosed a check for \$150.00 to cover the cost of the administrative amendment.

Thank you for your cooperation.

Sincerely,

S. J. Pfaff
Radiation Coordinator
