Dear Mr. Potapovs:

Sargent & Lundy's letter of May 22, 1980, responded to the findings identified in your inspection report identified as number 99900507/80-01. The response for the first deviation stated that the drawings identified in this finding will be sent out for comments by June 1, 1980. Due to other commitments on the project this corrective action will be delayed, but will be completed no later than July 1, 1980.

The purpose of this letter is to inform you of the additional time required to complete this action. If there are any questions regarding this item, please do not hesitate to contact me.

Yours very truly,

J. E. McFarland
