Dear Ms. Harmon:

This is in response to your request for a thirty day extension for the submittal of a security plan for the physical protection of special nuclear material of moderate and low strategic significance. We have determined that granting this delay will not endanger life or property or the common defense and security, and is otherwise in the public interest. Accordingly, the requirement for submission of your security plan is changed to June 17, 1980.

Sincerely,

Original Signed by D. J. Kasun
