Dear Mr. Kyle:

Pursuant to the telephone conversation on July 2, 1980 between Mr. Robin Delabarre of Oceans and International Environmental and Scientific Affairs of State Department and myself concerning the NRC application No. XCOM0074 for export of 40,000 pounds of Zircaloy-4 Trex tubes to Taiwan, we have been instructed by appropriate authorities in my Government to confirm that they are still in the same position as mentioned in Representative Shah's letter to Mr. David Dean, our Ref: SI-68015, dated August 27, 1979 which maintains that they have cancelled their purchase of the above-mentioned quantity of Zircaloy-4 Trex tubes.

It would be appreciated if you would be kind enough to transmit the above message to Mr. Delabarre.

Sincerely yours,

S. Y. Liu  
Assistant
