Dear Mr. Corrigan:

Enclosed is a copy of Commissioner Kennedy's recent lecture at the Brown University Center for Energy Studies which you requested.

The Mitre Corporation study he referenced in his talk is entitled, "Solar Energy Systems and Resources," by Charles Zraket and Martin Scholl. The report was issued in October 1979.

Please let me know if we can be of any further help.

Sincerely,

A handwritten signature in cursive script that reads "Cornelia Seifert".
