Gentlemen:

As indicated in the attached copy of a letter from Mr. Donald J. Broehl of Portland General Electric Company to Mr. R. H. Engelken of NRC Region V Office of Inspection and Enforcement, all modifications to masonry walls at the Plant required prior to the resumption of power operations were completed on July 12, 1980. The attached copy of Mr. Engelken's letter to Mr. Goodwin indicates that Licensee's actions have satisfied the terms of Mr. Engelken's immediate action letter to Mr. Goodwin dated April 17, 1980 (NRC Staff Exhibit 24). Accordingly, the Plant resumed power operations on July 20, 1980.

Sincerely,

Ronald W. Johnson
