Docket No. 99900509/78-05

Stone & Webster Engineering Corporation
ATTN: Mr. N. B. Cleveland
Vice President, Quality Assurance
Post Office Box 2325
Boston, Massachusetts 02106

Gentlemen:

This refers to the QA Program Inspection conducted by Mr. J. R. Crstello of this office on October 17-20, 1978, of your facility at Cherry Hill, New Jersey and to the discussions of our findings with Mr. C. N. Reveliotty and members of your staff at the conclusion of the inspection.

Areas examined during the QA program inspection and our findings are discussed in the enclosed report. Within these areas, the inspection consisted of an examination of procedures and representative records, interviews with personnel, and observations by the inspector.

During this inspection it was found that the implementation of your QA program failed to meet certain NRC requirements. The specific findings and references to the pertinent requirements are identified in the enclosures to this letter. However, since corrective action and preventive measures were taken concerning these findings before the end of this inspection, no further written response to these items is necessary.

In accordance with Section 2.790 of the Commission's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter with enclosure and your reply together with the enclosed inspection report will be placed in the Commission's Public Document Room. If this report contains any information that you believe to be proprietary, it is necessary that you make a written application within thirty (30) days to this office to withhold such information from public disclosure. Any such application must include a full statement of the reasons on the basis of which it is claimed that the information is proprietary, and should be prepared so that proprietary information identified in the application is contained in a separate part of the document. If we do not hear from you in this regard within the specified period, the report will be placed in the Public Document Room.
