Dear Mr. Hoyle:

Further to a telephone conversation with Robin DeLaBarre on December 15, 1978 regarding Monsanto's request XSNM01385 for the export of a small amount of plutonium to Thailand, enclosed please find a letter dated December 12, 1978 from the applicant.

Because of the short time involved, we informed the interested agencies by telephone of the urgency of the license request.

Sincerely,

A handwritten signature in cursive script, reading "Gerald G. Oplinger".
