Twelve (12) conformed copies of each Order are enclosed for your use.

The Order transmitted herewith contains an appendix which includes a number of graphs. A complete copy including the graphs is transmitted for your records, however, in lieu of publication of the appendix to the Order, the enclosed Notice of Availability should be published at the end of the Order. Please instruct the Federal Register to handle it this way. The Orders should be published as soon as possible (not necessarily a Schedule I publication) and publication may be spread out over two or three days.
