REGULATORY BOARD FILE COPY

MEMORANDUM FOR: James R. Tourtellotte, Assistant Chief, Hearing Council
 FROM: J. T. Collins, Deputy Director, TMI Support
 SUBJECT: REQUESTED MATERIAL FROM TMI-I WITNESSES

This is in response to your memo of October 3, 1979 subject as above. Attached is a copy of my Professional Qualifications.

Noted below are responses to your questions (2), (3), and (4).

(2) Brief summary of participation in (a) the licensing of TMI Units 1 and 2.

As Branch Chief of the Effluent Treatment Systems Branch, NRR, I had overall responsibility for the preparation of the Safety Evaluation and Environmental Statement for Unit 2. I was responsible for the evaluation of the radwaste systems and effluent monitoring systems and input to the Environmental Statement for Unit 1 including the evaluation to show conformance with Appendix I to 10 CFR Part 50.

(b) the incident that recently occurred at TMI Unit 2.

I arrived at TMI on March 30 with H. Denton and I have been onsite continuously since that time. For the first several months I was responsible for assessing the adequacy of the radwaste treatment systems, effluent monitoring systems, hydrogen recombiner system, and interfaces with federal and state agencies for environmental monitoring. My Professional Qualifications set forth my responsibilities since May 31, 1979.

(3) Copies of depositions or testimony given concerning TMI Units 1 and 2.

I have testified before the following groups, but I do not have copies of my testimony:

- a) TMI-2 Select Committee - Commonwealth of Pennsylvania
- b) NRC Inquiry Group
- c) Subcommittee on the Environment - U.S. Congress

(4) List of references for TMI-2 restart review.

- a) Safety Evaluation Report for TMI-1
