Dr. Steven M. Long
Director for Power Plant
Siting Program
Department of Natural Resources
Taves Street Office Building
Building 3
Annapolis, Maryland 21401

Dear Dr. Long:

In response to your telephone request of Mr. Richard Vollmer,
we will provide you a sample of the effluent from the EPICOR-II
system at such time as we receive authorization to run the system.

Sincerely,

JS

John T. Collins, Deputy Director
TMI Support

cc: R. Vollmer
