Nuclear Regulatory Comm.
% Dr. Denton
Washington, DC

Dear Dr. Denton:

I am quite interested
in what the NRC is doing
with the many "hot spots"
in Pennsylvania. Could you
please provide me with some
information regarding "Energy"
and any information on
the "3 mile island"
Could you have
any other information on
the above mentioned?
We are interested to
write about the kinds of
... And this is
at the University of
very interesting to me.

I know you are a very
busy man so please send
me the information at
your convenience.

Thank You
Miss Cussy Feich
