ATTN: Dr. A. E. Pickford  
Manager, Quality Assurance  
Alhambra, California 91802

Gentlemen:

This letter is to give notice that we have concurrently asked our Office of the Controller to bill your Company for the review and approval of Amendment 4 of Topical Report TR-21A-Quality Assurance Program which was submitted to the Office of Nuclear Reactor Regulation (ONRR) for review on June 23, 1978. We understand that the ONRR staff completed the review of the above item on July 6, 1978. Fees for this review are in accordance with 10 CFR 170.21, Category F - Special Projects and Reviews.

The total cost to be billed is \$195 based on review time involving 5 professional man-hours at \$39 per man-hour. The invoice for this amount will be sent to you by the Office of the Controller within a few days. Upon your receipt of the invoice, payment should be made to the U. S. Nuclear Regulatory Commission and forwarded to the Office of the Controller. When making payment, please make reference to the Controller's invoice number.

For future bills, we are striving to avoid significant delay between the time the ONRR staff completes the review and the time the invoice is sent to you for payment.

Sincerely,

Original Signed by  
Wm. O. Miller
