Dear Ms. McMillen:

At the meeting in my office on November 9, 1979, with you and other representatives of the League of Women Voters, you requested various documents pertaining to the Nuclear Regulatory Commission and Three Mile Island. Those documents are enclosed. We do not have a small map showing the locations of the NRC TLDs. Therefore, I have enclosed a description of the locations of those TLDs, including approximate bearings and distances from Three Mile Island.

I appreciated the opportunity to meet with you, and I hope you will find the information of value.

Sincerely,

*John T. Collins*
