AGENDA FOR JULY 18-20 HEARINGS SET

The agenda for the next public hearings of the President's Commission on the Accident at Three Mile Island, July 18-20, is now complete. All sessions will be held in the Hall of Nations, Edmund Walsh Building, Georgetown University, 36th between N and Prospect Streets, N.W. Hearings will begin at 10 a.m. each day and run until about 2 p.m. No breaks are scheduled.

A press room will be maintained in the Palms Lounge, downstairs from the hearing room. Telephones and typewriters will be available there. No written statements from witnesses are expected. Any documents which may be introduced into the Commission's records during the hearings will be available to reporters immediately after they are introduced. Copies will be available to the public in the Commission's reading room at 2100 M Street, N.W., the day after the hearing.

The agenda follows:

Wednesday, July 18

10 a.m.--2 p.m.

Joseph J. Kelly, Jr., Principal Engineer, Plant Integration Unit, Design Section, Babcock & Wilcox (B&W)

Bert M. Dunn, Manager, Emergency Core Coolant System Unit, Design Section, B&W

James F. Walters, Supervisory Engineer, Plant Performance Services, Operating Reactor Group, Customer Service Department, B&W
