

OFFICE OF THE
COMMISSIONER

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

June 1, 1976

MEMO TO: Robert B. Minogue, Director
Office of Standards Development

FROM: Edward A. Mason, Commissioner *ECM*

SUBJECT: REQUEST FOR INFORMATION PAPER ON OBE'S AND
SSE'S

Please prepare an information paper for the Commission setting forth the present situation with regard to the bases for the selection of operating basis earthquakes and safe shutdown earthquakes and the relation between the two. Please incorporate the views from the different elements in the staff so that the Commission can be given the necessary background and learn of the issues which are involved.
