ELECTROBEL CABLE REQUEST FOR VISIT

Reference is made to your October 28 note to A. Friedman regarding the attached Electrobél cable request for an appointment with you.

Electrobél is a private company of engineering consultants. It is involved in planning for the planned Tihange 890 MWe PWR plant to be built in Belgium. Ateliers de Construction de Charleroi, a Westinghouse licensee.\*

We believe that it would be in our general interest to accommodate the visit request if it is possible for you or members of your staff to be available on November 18. If we can be of help in any arrangements, please let us know.
