MEMORANDUM FOR: R. C. Knop, Chief, RPS #1, RO&NS Branch, RIII  
FROM: G. R. Klingler, Field Coordination, DROI, IE  
SUBJECT: RECORDING INSTRUMENTS - DAVIS-BESSE 1 (AITS F30362H2)

Backfitting of Regulatory Guide 1.97, Rev. 1, is planned for Davis-Besse 1. In conversation with Mr. L. B. Engle, DPM/NRR, the generic application of RG 1.97, Rev. 1 to operating plants is being determined. The amount of backfitting and the timing for it has not yet been decided, but the Davis-Besse licensing personnel are aware of the impending requirement.

We will provide you with further information on the backfitting requirements as they are made available to us.
