

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

September 26, 1978

NOTE TO: D. Vassallo
FROM: V. Stello, Jr.
SUBJECT: TRANSFER OF TMI-2 TO DOR

The letter on this subject from S. Varga dated September 19, 1978, requested an indication of concurrence or comments by September 26, 1978. Staff discussions on this subject indicate that further resolution of action prior to transfer, future review responsibility and commitment to review schedules is required for some items requiring further staff action (particularly items 1, 5, 7 and 9). It appears premature to provide detailed comments at this time since discussion between our staff is still in progress.
