UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D. C. 20555

October 19, 1979

Mr. James B. Liberman, Esq.  
Berlack, Israels & Liberman  
26 Broadway  
New York, N.Y. 10004

Dear Mr. Liberman:

It was a pleasure meeting with you and John Graham today at your Washington office. Again, I appreciate your taking the time to share some thoughts with the Special Inquiry Group staff.

During the course of our discussion, Mr. Graham remarked that he had not yet seen his deposition transcript. Upon returning to our offices, I checked and found that a copy of the transcript was mailed to Mr. Graham under a cover letter dated October 15. I have enclosed a photocopy of that letter. Mssrs. Toole, Holcombe and Heward should also soon receive transcripts of their depositions, mailed the same date.

As a courtesy, I have enclosed copies of these four depositions. If the earlier copies do not arrive shortly in the mail, please notify me and we will make other copies available.

If there is anything else I can do for you at this time, please do not hesitate to contact me.

Sincerely,

David J. Evans
