Docket Nos. 50-514 and 50-515

MEMORANDUM FOR: All Division of Systems Safety Branch Chiefs

FROM: Steven A. Varga, Chief Light Water Reactors Branch No. 4
Division of Project Management

SUBJECT: ACRS QUESTIONS ON PEBBLE SPRINGS

Enclosed are questions that were raised by an ACRS member on the Pebble Springs application. Written responses were requested prior to the ACRS full committee meeting which is scheduled for January 1978.

You are requested to respond to the enclosed questions which fall in your respective areas of responsibility. Some may require a joint effort among several branches in order to provide a satisfactory response.

Please submit your responses to Carl Stahl, LFM by November 30, 1977 for incorporation in a possible formal reply to the ACRS.
