Subject Hourgogot meeting	File:	
Digest		

- Essex summarized their visits to TMI... Met Ed very cooperative... good rapport with operators (did not talk to ones from 3/28)
- Probably met Ed will object to video taping any walk-thru at the control room (met Diaz)
- 1/2" scale mockup being prepared... available by Fri
- Pictures taken by Essex available this week
- Learned some I&E interviews given to Essex... requested releases
- COM briefed Essex on interview plans & limits
- Some interviews imminent (Reckman, Epolito)
- Reviewed comments of peer review group and observations we had on Essex work plans
- Next meeting @ Essex 8/27

Conclusions, Action Taken, or Required		
NRC to		Essex to
• Line up interviews (Ornstein)	• Provide preliminary human factors timeline ASAP	
• Pick same vintage reactors (Allison)	• " Human factors 'issues' list	
• (" & NRC span/plan of mockup (COM)	• " list of what they need from us
