MEMORANDUM FOR: Matt Chiramal, Plant Systems Branch, Division of Operating Reactors, NRR
Vince Noonan, Engineering Branch, Division of Operating Reactors, NRR
R. Meyer, Core Performance Branch, Division of Systems Safety, NRR

FROM: S. Miner, TMI-2 Support

SUBJECT: TMI-2 POST MORTEM EXAMINATIONS

The attached letter from Charles Kelber to Harold Denton requests comments on Tasks 2.1-Fission Product Transport Deposition and Environmental Description, 6.2-Mechanical Components and 7.2-Core Damage Assessment and Removal. As members of the subcommittees preparing the task plans, I expect that you are actively participating in the preparation of the plans and that your comments are being incorporated into the respective plans. However, to keep research apprised of NRR comments on the various plans, please provide Ron Foulds of RES copies of your comments and any other input materials you may have provided the Chairman of your subcommittee.
