Dr. Joseph M. Hendrie, Chairman  
Nuclear Regulatory Commission  
1717 "H" Street, N.W.  
Washington, D.C. 20515

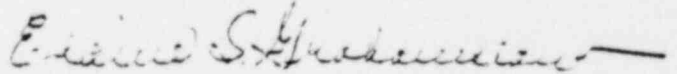

Dear Dr. Hendrie:

The Three Mile Island Incident has resulted in mental anguish and in many cases, financial hardship for residents of our area.

We urge a thorough investigation into motives and actions of Metropolitan Edison since the outset of the installation of Reactor No. 2, by both the State and Federal Governments.

Metropolitan Edison and its' Stockholders are responsible for any related financial expenditures, NOT WE CONSUMERS!

Sincerely,

Elaine S. Grahamslaw
