POOR ORIGINAL

Dear Sir:

Would you be able to send any free  
Literature on the Historic Background and  
Current Material on Three Mile Island or  
any related material that could be used.?

I am a 10th grade High School student  
and am doing a term paper on Three Mile Island.

Would it be possible to get a letter  
also from an acquired reference.

Yours truly,

Marsha Knarr
