Dear Mr. [unclear]
Nuclear Regulatory Commission
Washington, D.C. 20545

I am writing you concerning the
nuclear power plant at Denney, Iowa
and of the radiation that is being
sent out from the plant. I am
convinced that the radiation is
causing cancer and other life
threatening diseases. I am
convinced that the radiation is
causing cancer and other life
threatening diseases.

I would like you to send me a
brochure all the facts (please).

Very truly yours,
Stephan [unclear]
