POOR ORIGINAL

SECRETARY

U.S. NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555

I HAVE READ SOMEWHERE THAT YOUR
COMMISSION IS SEEKING WRITTEN COMMENTS
ON RULES RELATING TO NUCLEAR POWER PLANTS.

IN MY OPINION THE PRIVATE SECTOR
HAS DONE AND IS DOING A GREAT JOB IN
CONSTRUCTING AND OPERATING NUCLEAR POWER
PLANTS. THE MEDIA (NEWS) MANAGED TO MAKE
A MOUNTAIN OUT OF THE THREE MILE
ISLAND MUCK HILL BUT THE REAL TRAGEDY
THERE WAS THE DELAY, THE ACCIDENT
CAUSED TO THE NUCLEAR PROGRAM.

YOU WILL DO THE NATION A GREAT
SERVICE IF YOU WILL CONFINE RULES
TO A BARE ABOVE MINIMUM.

Yours Truly
