

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

Docket No. 50-320

January 25, 1980

Ms. Gail Bradford
245 West Philadelphia Street
York, PA 17404

Dear Ms. Bradford:

In accordance with our conversation of January 22, 1980 in which you requested copies of correspondence between the NRC Staff and Met Ed concerning Met Ed's proposal for reactor building atmosphere cleanup subsequent to Met Ed's November 13, 1979 submittal, I am enclosing:

1. letter from John T. Collins, Deputy Director, TMI Support (NRC) to Mr. R. C. Arnold (Met Ed), dated December 13, 1979;
2. letter from Richard H. Vollmer, Director, TMI Support (NRC) to Mr. R. C. Arnold, dated December 18, 1979; and,
3. letter from R. F. Wilson, Director, TMI-2 (Met Ed) to John T. Collins, dated January 4, 1980.

Also enclosed is an additional copy of Met Ed's November 13, 1979 initial submittal.

Sincerely,

A handwritten signature in cursive script, appearing to read "Lawrence J. Chandler".

Lawrence J. Chandler
Counsel for: NRC Staff

Enclosures: As stated
