Dear Dr. Hendrie,

Here is my plea for the lives
and good health of my family
and friends — please shut
down the Three Mile Island
and Peach Bottom plants. We
don't need a war with another
country to come in and kill us —
we'll kill ourselves with rad-
iation!!!

Personally, I'd much rather use
candles and kerosene lamps than
stand by and watch my loved ones
die of cancer in years to come.

Tell us who gave Net. Ed. permis-
ion to build so close to a metropolis
anyway. On that count alone — I
say Close it down! Close them
all — use Penna. coal. That pollu-
tion isn't as dangerous!

Sincerely
Mrs. Francis Stepanzig

P.S.

POOR ORIGINAL

I would like to add that if we are told we have to help pay for the accident at Three Mile Island, you're going to have a lot of very annoyed Pennsylvanians on your hands.

Do you think we should have to help to pay? Please let me know.
Thanks.

Sincerely yours,
Jeane Stefanowicz
