Attention Thomas E. Murley

Sir

My name is David Hamann. I am a junior at Roseburg Senior High School. I am writing you for information on the near nuclear accident at Three Mile Island. I am doing a research paper on the accident and would appreciate any material on the subject, particularly, reasons on why the accident happened and on the measures taken during the emergency,

Since my paper is due May 31, I would appreciate it if you could get any information to me as soon as possible.

Thank you for your help.
