NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D. C. 20585

January 3, 1980

MEMORANDUM FOR: James R. Tourtellotte, Assistant Chief, Hearing Counsel  
FROM: J. Y. Lee, TMI Support  
SUBJECT: REQUESTED MATERIAL FROM TMI-1 WITNESSES

This is in response to your memo of October 3, 1979 subject as above. Attached is a copy of my Professional Qualifications.

Noted below are responses to your questions (2), (3), and (4).

(2) Brief summary of participation in (a) the licensing of TMI Units 1 and 2,

None

(b) the incident that recently occurred at TMI Unit 2.

I was detailed to the task force for the TMI technical support at Three Mile Island Nuclear Station from the Effluent Treatment Systems Branch of the Office of Nuclear Reactor Regulation since April 1979. In this capacity, I have performed technical review of the recovery operations for TMI-2 and the restart programs for TMI-1.

(3) Copies of depositions or testimony given concerning TMI Units 1 and 2.

None

(4) List of references for TMI-2 restart review.

- a) Safety Evaluation Report for TMI-1
- b) FSAR TMI-1 plus all amendments
- c) Report in Response to NRC Staff-Recommended Requirements for Restart of Three Mile Island Nuclear Stations plus all amendments

A handwritten signature in cursive script that reads "Jay Y. Lee".

Jay Y. Lee  
TMI Support
