

POOR ORIGINAL

8/14/79

NO

GAS VENTING!!

COMPRESS IT, COOL IT,

LIQUIFY IT.

NO WATER DUMPING!!

"The hardest strokes of heaven fall in history upon those who imagine that they can control things in a sovereign manner, ...playing Providence not only for themselves but for the far future with the wrong kind of foresightedness, and gambling on a lot of risky calculations in which there must never be a single mistake."

SINCERELY,

SUSAN N. BRANDT
