

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D. C. 20555

Docket No. 50-320

February 6, 1980

Captain Daniel Clishman  
Evergreen International Airlines  
3185 Crestview Drive  
Newberg, Oregon 97132

Dear Captain Clishman:

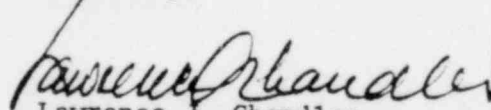

In accordance with our several recent discussions, the attached subpoena has been issued for your appearance as a witness on behalf of the U.S. Nuclear Regulatory Staff. The subpoena indicates the time and place set for your appearance. It is understood that you will appear only in the event that Captain Ufford is unable to.

While the subpoena does not require that you bring with you any particular documents, it may be helpful to have with you, in the event that you testify, any maps, charts, FAA or company rules, directives, instructions, procedures, and/or guidance bearing on landings and takeoffs at Harrisburg International Airport.

Should you appear, I have, for your convenience, made a hotel reservation at the Holiday Inn Town, Second and Chestnut Streets, Harrisburg, PA. ((717)-234-5021)), for the night of February 24, 1980. The reservation is in both your name and Captain Ufford's. I will also be staying at this hotel and, if at all possible, would like to meet with you at 8:00 PM on February 24th, for a brief discussion of what you should expect at the hearing. Please let me know if there is a problem with either the hotel or the time. Once again, my phone number is (301)-492-8658, and, if I'm not available, contact Mr. Stuart Treby at (301)-492-7881.

I will be in touch with you shortly regarding other travel arrangements and formalities.

Sincerely,

  
Lawrence J. Chandler  
Counsel for NRC Staff
